

A Place of Grace

Celebrating 50 Years of Christian Camping

Camp Course Assistance Program

Camp IAWAH believes in investing in the future of their staff as we believe that Camp is actually made up of people. Camp also seeks excellence: "We do this as unto the Lord and to His glory." One of the ways in which Camp can fulfill this is to help staff with training opportunities. Camp also thrives on the longevity of staff.

To help fulfill these goals, investing in staff, pursuit of excellence and longevity of staff, Camp will, (after acceptance as a staff member, and upon approval of leadership), reimburse staff for half the cost of a course, and the second half the following year of camp staff. For example: If someone is approved to take their NLS, Camp would reimburse the staff half the value of the course upon submission of receipt (copy or original), and the following summer, reimburse for the remaining amount.

For approval of a desired course or program, please submit a request in writing, fax or email to the camp office attention to the Staff Coordinator. (cstelmach@iawah.com)

Name: _____

Desired Course: _____

Cost of desired course: _____

Date of desired course: _____

Reasons for wanting to take course:
